State and national membership fees are an allowable expense for your food service budget and can be counted as a staff development / professional development expense.

### **School Nutrition Individual Membership**

This Membership is for the individual school nutrition professional (employees, managers, directors, students, etc.). Take advantage of all the member benefits! Download the [Maine membership application](#) or [join online](#).

### **School District Membership (SDM)**

SDM is a membership that is purchased by a school district (or state agency) in the name of an individual or group of individuals. The membership is transferable to another employee in the same membership category if the original assignee leaves the district. SDM is not one membership for an entire district, but separate memberships that are transferable. SDMs receive all the same benefits as individual SNA members and there is no difference in the dues rate. For questions or additional information, please contact the SNA Membership Manager at (703) 824-3000, ext.119, or [sdm@schoolnutrition.org](mailto:sdm@schoolnutrition.org).

All Maine SNA membership dues are paid directly to SNA.
